

Cereal at a wedding.

Now that takes the cake!

Cereality® introduces the My Cereal My Way® box wedding program. A fun, easy way to make your wedding, bridal shower or engagement party even more memorable and unique.

Here's how it works:

- 1** Choose one of our 8 catering blends or create a custom blend with up to 4 cereals and 4 toppings.
- 2** Name your blend. (Have fun – this is your special event!)
- 3** Choose a box design:

Standard: Choose a Cereality standard design and leave the back of the box blank.

Deluxe: Send us a photo (professional or candid) and the info you want included (like the wedding date, a personal message to your guests, or a favorite quote or saying—it's all up to you!). We'll design the artwork on the back of the box and submit a proof for your approval.
